About Us

Meet Mr. Rajendra Shinde, the visionary founder of our company and a seasoned Civil Engineer. With a robust foundation in civil engineering, Mr. Shinde honed his skills working with renowned construction companies in Pune. Armed with a decade of invaluable experience in the construction field, he embarked on a journey to establish his own business. Today, our company stands as a testament to his expertise, commitment, and passion for delivering excellence in every project. Welcome to a legacy built on a decade of experience and a commitment to quality – welcome to our world. Welcome to **Elevation Constructions**.

Our Vision

Building a sustainable future through innovative and quality construction solutions.

Our Mission

Dedicated to delivering excellence in construction by fostering collaboration, embracing cutting-edge technology, and prioritizing client satisfaction to create enduring and impactful spaces.

A Journey Through Time

Welcome to the legacy of "Elevation Constructions," a construction firm that came into existence on January 1, 2008, under the visionary leadership of Mr. Shinde.

With over 15 years of dedicated service in contracting and consulting, we have left an indelible mark on the construction industry. Our portfolio includes an array of residential buildings, bungalows, farmhouses, industrial sites, temples, and monuments.

Having proudly served more than 75 customers, we've crafted 10+ farmhouses, and 20+ bungalows, facilitated the construction of 1 temple, and 1 monument, and contributed to the development of 5+ industrial sites.

Our expertise extends across Pune, PCMC, Mulshi, Sinhagad Road, Lohagaon, Dhankawadi, Wakad, Chakan, Nasarapur, Bavdhan, Katraj, Ambegaon, Sinhgad, Khed Shivapur, Rahatani, Balewadi, Talegaon industrial areas and Vighnhar Sugar Industry Junnar, Rena Sugar Industry Latur.

Notably, in 2011, Mr. Shinde received felicitation from Hon. Sri. Shri Ravi Shankar Ji (Art of Living) in the presence of Hon. Nitin Ji Gadkari for his outstanding contribution to the development of the monument in Sri Shivaji Maharaj Museum, Lohagaon.

At "Elevation Constructions," we take pride in turning visions into structures and dreams into reality. Join us on this journey of excellence and craftsmanship.
